The HAC Chairman reminds all members that the IER commitment is a requirement for their continued membership and an essential enabler to HAC flying operations at RAF Halton.

HAC Members shall be personally responsible for arranging their own IER re-qualification by arrangement with the Training Provider Ops Sq AFM 01296 65 ext 6666/6367 or 07771522083.

HAC Members may exchange their date with another HAC member by personal arrangement or ask an unallocated member to cover via the contact list on the EBS, then amend the printed sheet in HAC Ops via OpsMan. HAC Members may petition the Chairman for relief of this obligation. Instructos are exempt from this obligation. The AFM, HAC Committee and HAC House members shall adopt the exceptional reserve for this club commitment.
